2024 The Year Of The Wealth Flow

*"You walk in God's peace when you take your eyes off your circumstances."

Week 16 | Issue 846 | Date: April 21, 2024

TESTIMONY

I want to thank God for saving me from a potentially harmful situation here in Canada.

Around 4:00 p.m. on Saturday the 4th of December 2021, I was on my way back from getting some Nigerian food from a restaurant I had recently found out about. I had just disembarked from a bus and was on my way to another bus station to board a second bus that would take me to my residence when I noticed a Caucasian guy with a hoodie, pacing up and down the bus stop. At first, I thought nothing of it, so, I continued listening to my music while walking towards the bus station and towards him. After what seemed like he was deliberating whether or not to approach me, he finally did and asked me about a bus route to get to his destination. After I had informed him about the bus route, he then checked his phone which he had initially told me was dead when he first approached me, then, he proceeded to tell me to watch his bag. Without waiting to get a response from me, he dropped his bag and walked away.

However, "something" in me told me that I should walk away. Normally, I would have stayed with the bag until my bus arrived but this time, I felt uneasy about it. So, I walked away so fast that I walked past my bus stop. Then, all of a sudden, I heard a loud sound. Upon looking back, I noticed that where I was standing at the bus stop was completely shattered and the guy was nowhere to be found. I was shaken up, but still proceeded to board the bus and I arrived at my residence safely.

Indeed, God gives His angels charge over me (Psalm 91:11). I would like to thank God for His guidance and His protection.

I would also like to thank my parents for always praying for me and Pastor Kech for checking up on me from time to time despite her busy schedule.
