TESTIMONY

I am giving this testimony to the glory of God and to the shame of the devil the failure. Sometime in 2009, I was arrested and taken to the Port Harcourt prison. I gave my life to Christ via the teaching of God's Word by our Mother Pastor Nkechi Ene Mrs., though I was on bail but there was nobody to perfect my bail, then I hooked unto a teaching by Pastor Nkechi Ene; she taught about Mephibosheth in Lodibah and how he was remembered by king David and also another message titled The Characteristic Of A Little Child, how a little child gave up an expensive toy, for a better one, that day I decided to give up my whole heart to Christ believing God for a change of story. Another of pastor's message I listened to was titled From Grass To Grace And Glory Part 1, then I decided to change my prayer topic based on what I learnt from that message. All of a sudden, the Chief Judge of Rivers State came to the prison to release people, and me that was once forgotten was now listed among the people that were released by the Chief Judge Free of Charge. Finally, my release papers were signed on the 22nd of April. I want

to thank God for turning the heart of the king to favour me. May all the Glory, honour and adoration be unto Him alone that is able to release and discharge the helpless from captivity.

And I want to use this medium to thank Mummy Pastor Nkechi Ene on behalf of the Port Harcourt prison inmates for feeding us with the word of God and with the kind of food we don't dream of eating there. Pastor you are more than a pastor to the prisoners. I don't know what to call you but indeed as a mother, you have really fulfilled scriptures in the life of men especially me, I have now known my importance as a child of God. The Carpenter's Church is the best Church that can bring out their treasure to satisfy the souls of people, the most important thing today is my spiritual freedom that I have. May God bless you Pastor Nkechi above your peers in Jesus name.
