Wealth Flow Prophecy Confession

This flow is a MOVE of God.
I am the target of the wealth flow and God is the Source.
His love for me is the force behind the wealth flow.

The whole earth and its fullness belong to my Father.
The FLOW is moving me to my Prepared Place.
The FLOW is effecting a wealth transfer to me, and my
Prepared Place is full of milk and honey.
The FLOW has now brought wisdom to me.
My mind is aligned with my Father's.
The riches He has prepared for me are being transferred
to me.

They have been mine all along.
The hand of man will not effect this change,
Power and might will not make this transfer happen.
The FLOW, the FLOW—a supernatural move will set
things in the rightful place.
The FLOW is effecting a wealth transfer for me.
The force of favour and faith are propelling me,
I am taking what has been mine all along.
The wealth that before now was only seen by the world
will be seen and handled by me, the righteous one.

I am ready for favour, and I attract favour.
I am ready for favour in my business.
I am ready for favour in my job.
I am ready for favour in everything I do.
I am ready for favour everywhere I go.
I am ready for favour.

The wealth FLOW has begun and it's continuing. It's
unstoppable.
It is effecting a wealth transfer for me.
The wealth FLOW has begun and there is no going back.
It is right now effecting a wealth transfer for me.
I am ready to receive all He has revealed to me.
It's not late, for it's never too late with God.
I am ready to receive all that He will yet reveal to me.
For it's coming in waves and torrents.
I will not be left out.

It's coming from the Source.
It's coming through various channels.
It's coming through various vessels.
It's coming at different speeds.
It's coming and it is getting faster.
It's coming to me, His destination, and His target.
The wealth FLOW has begun and it's continuing.
And the wealth transfer is here, and it's here for me.

The wealth FLOW will fulfil the Father's purpose in me.
Through it my Father will show me off in righteous
abundance and draw many men to Him!
Hallelujah!

TESTIMONY

Our first daughter miraculously got admission and a scholarship to a higher institution of learning. I call it miraculous because if we were to mind our means, then it was completely out of our reach. Though the scholarship was very substantial, the remaining portion was still a very big struggle for us. We, however, took God by His Word and plunged in. God never failed us. He constantly came through for us, a lot of times through very unlikely means and vessels. More scholarships were added as she progressed, even the ones she didn't apply for. People went out of their way to bless us. Someone will just step up and cover more than half of the outstanding fees for a semester. Apart from that, God also gave our daughter a job in the school, and like the diligent girl that she is, she gave it all up to cover part of what we were to pay. I want to thank God, especially for the grace upon our daughter to keep focus and finish her studies top of her class. She graduated with the highest 1st class (suma cum laude) and with a job waiting for her even before graduation, which she has since started. In this season where

there are job losses everywhere, God provided exceedingly, abundantly, above what we could ever ask, imagine or think, for His princess. We return all the praise, adoration, and honour to His name forever. There is absolutely nothing impossible with God. God takes delight in doing the "impossible" (impossible + can't) according to our founding pastor, Pastor Charles Omofomah. We thank our man of God, Pastor Nkechi Ene for teaching us the undiluted Word. We appreciate Pastor Sola and all our assistant pastors for bringing to our understanding that the Word works and that we can trust and believe in it and it shall come to pass. Thank you so much. Thank you, TC Cubs, and TC2. You are doing an awesome job. Your children are rising and calling you blessed. I know you understand the great impact you are making in the lives of our children. They are shining like the stars you are moulding them into. God bless you.

We also thank all our great friends and family in TCC who were there, cheering and supporting us to the finish line. What you make happen for others, God will surely, surely make happen for you, in Jesus' name, amen.
