HOMOLOGEO

SEASON OF FLOURISHING

I declare that I have stepped into a season of flourishing. In this season, boundaries are being broken. I have stepped into a season where I am developing wings and I am flying. I have stepped into a season where I am breaking forth on every side.

I have stepped into my season of flourishing. It is a kind of flourishing that makes no sense to the natural mind. The guarantee of my flourishing is because I am planted. Because I am planted, I am kept in a place. Because I am planted, I am not moved by every single thing that comes my way.

All over this place, and all around me, green plants are coming up. Multiplied leaves of different species are coming up even where there was dead ground. Species that have not been discovered before are coming up in this place. They are not just coming up naturally, they are coming up supernaturally. This flourishing is not of man, this flourishing is not of the economy. This flourishing is not even of my finances. This flourishing is of the word of the living God.

I am ready for supernatural flourishing. This is the kind of flourishing will defy every single logic, it will defy every single statistic, it will even defy human expectations. Being planted in His soil and His waters have guaranteed my flourishing. I am ready for supernatural flourishing. This is the kind of flourishing will defy every single logic, it will defy every single statistic, it will even defy human expectations. Being planted in His soil and His waters have guaranteed my flourishing. I am ready!
Lord, I am ready!

I am planted by the Lord. I am planted personally by the hand of the Lord. Those whom the Lord has planted no one can uproot. No storm can uproot, no situation can uproot, no temptation can uproot me. The Holy Spirit Himself will noise my flourishing abroad by Himself.

The time to come up is now and I am coming up by the hand of the Lord. I am coming up by the Word of the Lord that has come to me that I have stepped into a season of flourishing. The time to come up is now and I am coming up by the hand of the Lord. I am coming up by the Word of the Lord that has come to me that I have stepped into a season of flourishing.

I am righteous and so I flourish like a palm tree. I grow like a cedar in Lebanon. I am planted in the house of the LORD and so I flourish in the courts of my God. I retain fruit-bearing ability even in old age. I remain fresh and flourishing.

Turn to your neighbour and prophesy to them. Say to them: "Your season of flourishing is here. See! I can see wings on your back, you are ready to fly! I can see your wings; you are ready to fly!"

Hallelujah!

TESTIMONY

I was healed of severe lower back and chest pain that had lingered for months. I had not been able to fast for a long time because I noticed that whenever I don't eat, the pain increases. However, during the just-concluded Hallal week, I fasted from morning till 6:00 p.m. on Monday and Tuesday with no pain whatsoever. I even took it further and fasted on Wednesday, 01 December 2021.

On day two of the Hallelujah week, I was also healed of a pain in my right hand and shoulder after the praise session. I discovered that it was gone and I kept confessing that it was gone. Till today, I have not experienced any pain. Ha! Ha! Hallelujah!!
