AUDITORIUM

We speak to our 6,000 seater auditorium and we call it "finished in glory and splendour" in the Name of Jesus.

It is not by might, nor by power but by the Spirit of the Lord and the Spoken Word. Every phase left of this building that looks like a mountain has become a plain and we bring it to completion with shouts of grace, grace to it!

We have the wisdom of God and we know what to do. Our hands, strengthened by the Lord's hands, have laid the foundation and our hands, strengthened by His hands, will finish it! Hallelujah!

The race is not to the swift, nor the battle to the strong, nor bread to the wise, nor riches to men of understanding, nor favour to men of skill; but time and chance happen to them all.

This is the set time for supernatural favour for this auditorium project. For the heart of every decision-maker is in the hand of the Lord. Like the rivers of water, He turns it wherever He wishes – just to favour us. We receive waves upon waves of unusual favour right now in Jesus' Name.

We will have what we say!

This is the set time for an unprecedented flow of wealth and riches for this auditorium project. I release my precious

sacrifices for this auditorium project and as I give, it is given unto me, good measure, pressed down, shaken together and running over – and I yet give again, Hallelujah!

Water flows from rocks; wealth flows from nations; the heavens are open wide and by the knowledge of God, the depths are broken up and the clouds drop down the dew.

The silver and gold belong to our Father and are our inheritance.

We receive abundant resources right now in Jesus' Name.

We will have what we say!

This is the set time for acceleration. We declare speed to the auditorium project, speed that is faster than the speed of light, faster than the swift chariots of the king, faster than the legs of Ahimaaz, You give us speed – supernatural and unusual speed; power generated from deep within; fire that cannot be quenched; rivers that will never run dry; faith that moves hills and fills valleys. You give us speed and we move with it in Jesus' Name.

We will have what we say!

We call our 6,000 seater auditorium finished and we see ourselves inside it worshipping and praising the Lord God Almighty to His glory and for our benefit. God is big in me; God is big in you and God is big in us in TCC! Hallelujah!!

🗨️ TESTIMONY 🗨️

I want to give a testimony on my health's restoration, in September 2009. After my SSCE examination, I decided to go and stay in Lagos for my holiday. While I was there, my caring sister bought me some food supplements, which I started taking. While I was taking the drugs, my body system was normal. It wasn't until the medication finished that I realized I couldn't breathe normally again. My sister quickly got some more and I started taking them again. Then I noticed that I was able to breathe normally once more. My breathing was hanging. When I inhale, I can't freely exhale, so I find myself gasping desperately for breath. I became concerned about this and started wondering how I am going to cope, living the rest of my life on medications. This actually continued for some years until it got to the point where I couldn't bear it any longer. I told my sister, who is a nurse, and she asked me to come over to their hospital. When I got to the hospital, they recommended I run a test on my heart. They discovered that my heart was not well situated and referred me to FMC Umuahia, where they have a good cardiologist. It was determined that I had a respiratory problem and those symptoms persisted. My sister, who went with me, asked me if I would like to believe God for a miracle. She reminded me that if I am going to go and continue to see the doctor, I should have in mind that money for the treatment may not be available. So, she encouraged me to believe God for my miracle. She invited me to stay in her house and placed me on faith confessions by Pastor Charles Omofomah. It was the interactive CD *God's Medicine*. As I listened, I repeated after him. The first five days looked like as though nothing was happening but I continued, ignoring the stress and discomfort the health challenge brought my way. I remained sold out to God's Word and the faith confessions. Before the eighth day, I couldn't remember what exactly made me start the faith confessions. I knew I had a health challenge in my body but I couldn't figure out what was wrong with me. I became whole again as though I was never in any health challenge. All the symptoms have disappeared and I breathe very well again. His Word is indeed medicine to my flesh and it works! And to crown it all, it was all paid for by Jesus Christ. Glory be to God!
