HOMOLOGEO

WEALTH FLOW

This flow is a move of God
I am the target of the Wealth Flow and God is the source
His love for me is the force behind the wealth Flow.
The whole earth and its fullness belong to my Father
The Flow is moving me to my prepared place
The Flow is effecting a wealth transfer to me and my prepared place if full of milk and honey
The Flow has now brought wisdom to me. My mind is aligned with my Father's
The riches He has prepared for me are being transferred to me
It has been mine all along, the riches were no theirs all along.

The hand of man will not effect this change, power and might will not make this transfer happen
The Flow, the Flow, a supernatural move will set things in the rightful place
The Flow is effecting a wealth transfer for me.
The force of favour and faith will propel me.
I am taking what was mine all along
The wealth that before now was only seen by the world, will be seen and handled by me, the righteous one.
I am ready for favour and I attract favour
I am ready for favour in my business, I am ready for favour in my job. I am ready for favour everywhere I go.
I am ready for favour.

The wealth Flow has begun and its continuing. Its unstoppable.
It is effecting a wealth transfer to me.
The wealth Flow has begun and there is no going back. It is right now effecting a wealth transfer for me.
I am ready to receive all He has revealed to me
Its not late. For its never too late with God
I am ready to receive all that He will yet reveal to me
For its coming in waves and torrents. Its coming through various vessels. Its coming at different speeds.
Its coming and its getting faster. Its coming to me His destination and His target.
The wealth Flow has begun and its continuing and the wealth Flow is here and its here for me.
The wealth Flow to fulfill the Father's purpose in me is not for me to show off but for my Father to show me off in righteous abundance and draw many men to Him

TESTIMONY

I want to thank God for the provision of my budget pledge. Before I came to church on the Sunday of the budget reading, I already had in mind the amount I wanted to give but the Holy Spirit told me to give a certain amount.

During the service, the nudge became stronger after Pastor Nkechi made a statement that God wants to move you to a place of abundance beyond your limitations. I obeyed God's Spirit and I wrote down the figure in the budget slip, while telling Him that I don't like owing, I don't want to struggle to pay and that I would want to finish it before the next budget year.

At the beginning of the following year, I paid the initial amount I had in mind to pay. God provided it miraculously but I kept reminding Him that it was His part that was remaining to fulfil. God, indeed, fulfilled His own part of the bargain, for, "God is not a man, that He should lie, nor a son of man, that He should repent. Has He said, and will He not do? Or has He spoken, and will He not make it good?" (Numbers 23:19). I am so glad it was without struggle. I made the pledge when I had nothing as it were but now, I know that I can stretch my faith to believe God for more, for there is more where that came from.

I want to thank God for our Pastors who teach us the undiluted Word; that we can make demands on God. He hears us always and answers us always.
