**Healing Confession**

Jesus was wounded for my transgressions. He was bruised for my iniquities. The chastisement, and the punishment of my peace was laid upon Him, and with His stripes I am healed. I have peace; I have shalom, there is nothing missing and nothing broken in my body.

Jesus Himself took my infirmities and bore my diseases. By His stripes I was healed. If I was healed two thousand years ago, I am healed right here and now. My healing is a done deal.

Jesus is my healer. He is my doctor. He is my physician. He is the fixer, mender, and restorer of my body. I declare that every thing that needs to be fixed, mended and restored in my body has been done.

Himself bore my sins in His body on the cross so that I having died to sins might live unto righteousness, and by His stripes I was healed. Therefore, I boldly declare that I am not the sick trying to be healed, I am the healed resisting the lying symptoms of sickness and disease. In Christ Jesus, I have received a clean bill of health, and on the basis of His finished work, I boldly declare that I am healed.

I declare that all lying symptoms have given way; they are removed from the root; they have disappeared, and dissipated. No matter how long they have been, they have faded away. No matter how stubborn they have proved to be, they are not stronger than the Word of God, and so they are dissolved.

Every part of my body, every cell, every organ, every system is performing perfectly and optimally. God's Word is life to me; it is medicine to every part of my body, and producing healing and health.

I know what is happening in my body - The Spirit of Him who raised Jesus from the dead dwells in me and is alive in me. He who raised Christ from the dead is giving life - Zoe life, resurrection life to my mortal body through His Spirit who dwells in me. The production of life is an ongoing, ever-present activity in my body.

As it was said concerning Israel of old that there was no one feeble among their tribes, so we declare that we are all healed in this great assembly, TCC. There is no sickness here, there is no disease here for we are the healed body of Christ.

There is certainly no barrenness here and babies are scattering in TCC!!! Baby boys are here! Baby girls are here! Twins are here! Even triplets are here!! Hallelujah! We have what we say. We say we are healed. We say we are fruitful. We have healing, health, fruitfulness and life! Amen.
