Favour Confession

I declare that my Father has accepted me in Christ Jesus the Beloved. Because I am in Christ, I am highly favoured. Like Jesus, I am His beloved son, and He is well pleased with me. I have received the grace of God and so I am favoured. In Christ, I am God's elect; His special favoured child. The Father loves me as much as He loves Christ Jesus, my big Brother.

The Father's favour constantly surrounds me as a shield from sunrise to sunset. The force of His favour attracts all that pertain to life and godliness to me. It repels whatever is not part of the blessing far away from me. His favour has separated me from the curse.

My favour with God translates into favour with men. I have favour with men that matter. The hearts of kings and men of influence whom God has ordained to play a part of my purpose are in His hands, and He turns their hearts just

to favour me. God gives those with whom I have to deal, respect and attention for me. They are captivated by His Spirit and intoxicated by His instructions.

I am pleasing to God; my ways are pleasing to Him. Therefore He makes even my enemies to be at peace with me. There's no limit to whom my Father can use. So, even those who may not like me are used as instruments and channels of God's goodness in my life.

I am a son of God and I am led by the Spirit of God. My steps are ordered of the Lord and He takes delight in my ways. Therefore, I am always in the right place and at the right time. I am always where limitless possibilities take place, and I recognize them. I am always found where opportunity and preparation collide. Through the favour of God doors open before me. His favour causes me to succeed where others have failed. God is unapologetically

biased in my favour.

Therefore I depend upon the grace and favour of God in all I do. I choose not to lean on my own understanding. I acknowledge that the race is not to the swift, nor the battle to the strong, nor bread to the wise, nor riches to men of understanding, nor favour to men of skill; but time and chance happen to them all. I am always where time and chance happen to me. I rest in His favour upon me.

I declare that I enjoy abundant, strategic favour with God and find good understanding in my dealings with men. With each passing day, I experience increasing measures of favour with God and with men. Thank You Father for the waves of your favour are crashing all over me and they are carrying me to Your destination for me. Hallelujah!

TESTIMONY

I experienced some challenges in my business that led me to begin praying for a new business opportunity. In the beginning of the year, I found myself praying for a divine business connection. I prayed for God to connect me to a successful business person with years of experience in this new line of business, to guide me as I start my own business. God indeed answered!

Accessing the fund, I needed for the business became a challenge, as I didn't want to go for interest yielding loan. I remember telling a friend that I'm believing God to make fund available for me for a period of two years without interest and she laughed asking who will release such business fund for that long period of time without interest? I just replied that's why it's a miracle. The same God that gave me the business

connection will still give me the needed funds.

As the third quarter of the year was coming to an end without any sign of the fund anywhere, I was beginning to think that maybe it would not happen this year again. Then on Sunday 25th August (1st Service) as Pastor Sola climbed the pulpit to preach, he gave a word of knowledge: "Provision comes for somebody who has a project to embark on. I know we all need money for something, but this is for someone specifically. I perceive you are a lady; you are a woman; provision comes for you in the name of Jesus. God tells you to get ready for it; the provision is here! Grace is in abundance!"

Ironically, I wasn't inside the tent when the word came as I had stepped out to use the rest room. This same friend of mine who is equally a

TCC member was out of town but connected for the church service. As soon as she heard the word, she sent me a WhatsApp chat to receive my word. I didn't see this chat until much later that day. I listened to the message again on YouTube and claimed the word for myself. I told God that if the word is really for me, let the fund come before the end of August.

On 31st August, Our God who knows how to give liberally provided the needed fund with better conditions and zero interest. God is indeed faithful!

I just want to thank God for His unfailing love. He is our ever-present help in time of need. Thank you, Pastor Sola, for the word in due season. The word of God works and you can count on it always!
