FLOOD
Prophecy by Pastor Nkechi Ene
APRIL 4, 2020

I saw a flood, and many times when you have a flood coming towards your home, your first instinct is to try to close the door or shut the gate, or stop the flood from coming in. **But God says, "the kind of flood that is rushing into your homes right now is not the flood that you want to keep out, it is a supernatural flood"**, and I saw that flood taking over homes, I saw an avalanche of the flood of God's goodness, particularly of God's healing rushing into your homes, **and the Spirit of God said to "open the door, this is not a flood you want to keep out. Open the door, open the door wide, and let the avalanche of My healing power rush right there into your home"** and everyone who has some kind of device, a phone, a tablet, a TV, and was part of this service, I saw the flood overwhelming that location and it was the flood of God's healing. And the Lord began to tell me of some people who are watching and even if your case is not called, because of that flood, you can receive your healing right now.

TESTIMONY

An Irregular menstrual cycle has been my plight for as long as I can remember, but that didn't really bother me when I was a teen, not until my twenties when it persisted.

I complained to some health professionals, about this and after some series of uncomfortable tests, I was cleared, on account of NO infection or inflammation whatsoever, and this was dismissed as just STRESS or Hormonal imbalance.

I rejected this immediately, and kept confessing that 'my hormones were perfect' I decided to soft-pedal at work because my job at the time was very tedious. I already knew my healing had taken place, I just had to keep saying it, until my body conforms to the word, I was professing.

Not until the Healing Service, held on the 3rd of March 2024, I became so expectant throughout the week, so when the man of God, asked if we

came with 'Mr expectation I just smiled because I knew he wasn't speaking mere words.

Then during the service, Pst Kech was giving words of knowledge, as the Spirit of God, gave her utterance, She mentioned my case!!! She said. "There's someone here, a lady obviously, who has an irregular menstrual cycle, and you're not even close to menopause, something about your hormonal imbalance, receive your healing. devil take your dirty, filthy hands off of her"

Man! I knew that was me...I raised my hands, with the other placed on my abdomen, and received my healing, after a couple of minutes, I was in awe, and kept saying "Lord who am I, that you're so mindful of me!" Because it was as though, I had already mentioned the Situation to Pastor before now, which of course I didn't!!, the Word of Knowledge was so bespoke and perfectly tailored, and so was my MIRACLE!

I'm immensely blessed to have found myself in a place, such as TCC, where the pure undiluted Word is taught, and Jesus never misses a service!
