

HOMOLOGEO

I declare that long life is mine as a child of God. I have made the right choices. I choose life and length of days. Each day I remember that I have made an appointment with life more abundantly. I choose wisdom, and I possess the length of days she holds in her hands. I choose the fear of the LORD and my days are prolonged; my years shall not be shortened. I serve the Lord my God, and He blesses my food and water. He keeps me healthy, and He is committed to giving me a long, full life.

I dwell in the secret place of the Most High. I abide under the shadow of the Almighty. I say of You Lord, You are my refuge and my fortress; You are my God in whom I trust. With long life You satisfy me, and You show me Your salvation.

I keep the Word of God which He has given me, and it goes well with me. My days are prolonged on the earth which the Lord has given me. I hear and receive God's words; and the years of my life are many as I walk in the paths of wisdom in which I have been taught, and the right paths He leads me in.

I am righteous, so I flourish like a palm tree, I grow like a cedar in Lebanon.

I am planted in the house of the Lord and I flourish in the courts of my God. Even in my old age, I will continue to bear fruit, I will be fresh and I will flourish. My youth is renewed like the eagle.

Even to my old age, He is the One who will carry me. He will bear me and deliver me.

Like a sheaf gathered up in its season, I will come to the grave in a ripe old age. The grave will not come to me.

My confidence is in God who raises the dead, who delivered me from so great a death, and does deliver me; in whom I trust that He will still deliver me.

Hallelujah!!

I am kept by the Holy Ghost and I will bask in my Covenant of long life.

TESTIMONY

For several years, stubborn and severe back pain, vaginal discharge and skin rashes have tormented me daily that I had almost accepted the lie of the devil that I will live with the diseases for the rest of my life. I had taken several medications and treatments for these diseases, all to no avail. So, I decided to stop taking the drugs and focus of the healing Word of God. This led me to going to different healing schools and services in churches, but I still did not receive my healing.

I experienced the backache every day, it got to the extent that I found it very difficult to bend down and pick up something or even do anything. Apart from the days when I have my menstrual cycle and ovulation, I still experience heavy vaginal discharge all the time.

On the 19th of November 2017, I came to church for the Healing Service. I had already told God and myself that I was not going home with all those infirmities. By the time Pastor Nkechi started preaching, my heart was already heavy because I was tired of my condition. In the course of her teaching, Pastor Nkechi said that the compassion of Jesus is able to heal impossible situations; this became my light, my illumination.

Through word of knowledge, Pastor Nkechi mentioned my case. In tears, I stood up and called on the compassion of God, asking Him to have mercy on me and heal me of the infirmities. God showed up on my case. From that day till date, I have not experienced the symptoms; there is no more pain, no more discharge and no more skin rashes. I have been completely made whole.

Thank You, Jesus. Thank you, Pastor Nkechi; you are indeed God-sent to deliver people.
