

HOMOLOGEO

AUDITORIUM

We speak to our 6,000 seater auditorium and we call it "finished in glory and splendour" in the Name of Jesus.

It is not by might, nor by power but by the Spirit of the Lord and the Spoken Word. Every phase left of this building that looks like a mountain has become a plain and we bring it to completion with shouts of grace, grace to it!

We have the wisdom of God and we know what to do. Our hands, strengthened by the Lord's hands, have laid the foundation and our hands, strengthened by His hands, will finish it! Hallelujah!

The race is not to the swift, nor the battle to the strong, nor bread to the wise, nor riches to men of understanding, nor favour to men of skill; but time and chance happen to them all.

This is the set time for supernatural favour for this auditorium project. For the heart of every decision-maker is in the hand of the Lord. Like the rivers of water, He turns it wherever He wishes – just to favour us. We receive waves upon waves of unusual favour right now in Jesus' Name. We will have what we say!

This is the set time for an unprecedented flow of wealth and riches for this auditorium project. I release my precious sacrifices for this auditorium project and as I give, it is given unto me, good measure, pressed down, shaken together and running over – and I yet give again, Hallelujah!

Water flows from rocks; wealth flows from nations; the heavens are open wide and by the knowledge of God, the depths are broken up and the clouds drop down the dew. The silver and gold belong to our Father and are our inheritance. We receive abundant resources right now in Jesus' Name. We will have what we say!

This is the set time for acceleration. We declare speed to the auditorium project, speed that is faster than the speed of light, faster than the swift chariots of the king, faster than the legs of Ahimaaz, You give us speed – supernatural and unusual speed; power generated from deep within; fire that cannot be quenched; rivers that will never run dry; faith that moves hills and fills valleys. You give us speed and we move with it in Jesus' Name. We will have what we say!

We call our 6,000 seater auditorium finished and we see ourselves inside it worshipping and praising the Lord God Almighty to His glory and for our benefit.

God is big in me; God is big in you and God is big in us in TCC! Hallelujah!!

TESTIMONY

I thank God for delivering my family and I from armed men on the 2nd of July, 2019.

I was to travel to Omoku, which is where I work, by public transport because our car was faulty. Later, my husband offered to drive me to work with my dad's car, since he was out of town. His younger brother later joined us.

My husband decided to take a route which I was not too comfortable with, and halfway through the journey, we suddenly saw an armed man who ran out of the bush pointing a gun at us. I immediately, screamed, "Jesus!" and was telling my husband and brother-in-law to bend down. On a second thought, I wondered how my husband would bend down since he was the one driving. However, God gave him wisdom. I still cannot understand how he went off the road and drove close to the bushy part of the road.

There were more than four armed men standing in front and behind us with their guns aimed at us. They watched as we drove past them close to the bush but they didn't shoot at us. All they did was to run back into the bush.

I wondered why they didn't shoot at us. I asked myself, "Why did they run back into the bush? How come they just stood there and watched us drive past them?" When I got home that night, I couldn't sleep. I just kept crying, on my knees, wondering why God loves me so much, considering that two weeks before this incident, still on my way to work, He saved us from driving into armed men along Emohua Road.

For days, I couldn't get over that sight. The following Sunday, when Pastor Kech was to share the Word, she kept saying, "God's love towards us is a commitment and that word is for someone".

Indeed, God's love for us is a commitment, and God is big in us. Thank you Pastor Kech for the undiluted Word. Thank You, Father for Your deep love towards us.
N.D.

Please, they should be in good and presentable condition.

FCG heads are hereby informed to be present to identify their members because TCC members who are committed in FCGs would be given preference during the distribution.
