

It is time to sing a new song

Prophecy by Pastor Nkechi Ene (Mrs.)
Hallelujah Week 2024 - Day 2

The Lord said to tell you
It is time to sing a new song
He said to tell you that your lyrics
have changed. If you do not know
what to sing open up to my Spirit
and He will give the lyrics. That song
has a chorus and the chorus is
consistent.

No matter what the verse says
The chorus is Ha Ha Ha...

Your song has changed
Not just the lyrics has changed
The melody has changed
Even the tempo has changed
The harmony has changed
It's a brand new song
It's not a song of yesterday
It's a new song
It's a song of today
And you'll sing it

Just open up your mouth and sing
that song
Your song is an endless song says
God
And the basis of that song is Psalm
126:1-2
The Lord has turned again your
captivity

Just open your mouth and begin to
sing
For when the Lord turned the
captivity of Zion
We were like them that dreamed
Our mouth was filled with laughter
and our tongue with singing
It's time to sing a new song
Begin to sing...

GREATNESS

without labour

Prophecy by Pastor Nkechi Ene (Mrs.)
Hallelujah Week 2024 - Day 3

God is giving us greatness without labour
The realm He is taking us into is a realm of
greatness without labour.
Before your labour comes, before your pain
comes, you will give birth.

The days of hard labour are over
You will work with accuracy
No longer will you hit and miss
You will strike it hot
You will strike it strong
When you strike you will be on target
You will birth greatness

Listen to me, your labour will be the labour
of revelation knowledge. You need to labour
in My Word. You need to labour in revelation
knowledge

He is opening up endless opportunities and
you will flow into them. You will cruise into
them
Before you will get into a place His favour
will already be there.

It's a realm only for those who will believe it
The testimony of your life will be who has
seen a thing like this?
Your years will not justify your greatness
Your exposure will not justify your greatness
This is the greatness that is only from Me.

You will birth it and you will enter it without
labour. What great things the Father has in
His heart for you.

TCC the days of hard labour are over!
Your methods are not the methods of
others.
We will swim, We will flow in the grace that
God has given to us.
Hallelujah!...

BELIEVERS' CLASSES

Believers' Classes are foundational classes held simultaneously in The Carpenter's Church on Sundays after the second service. These classes are for everyone. After these classes, a person would know what we believe and have the opportunity to make a decision for membership in TCC.

Q TESTIMONY Q

Iwant to testify today of God's grace and provision throughout my schooling at the University of Port Harcourt. I started with nothing as I and my husband had nothing physically to sponsor my education but God's Word came through for us by causing us to be favoured by everyone who came into contact with us. During a particular semester, I had just given birth and was asked to sort by the lecturer of a particular course, but after speaking with my FOG leader who advised me to sow a seed instead, and joined faith with me and prayed, I was given a good grade in that particular course without paying a dime to the said lecturer.

I was in labour during my teaching practice and found favor in the sight of my external supervisors. After I finished my four-year course, the NYSC list was unapproved for no reason; it took almost two years. Regardless, I declared that my service would be exciting, and at the right time and I would be posted to a favourable organisation. On the 27th of August, after the Generation Shift Bible Study meeting which was a movie session, I received a call from my Head of Department (HOD) that all my results had been approved and that I was to serve in November of the same year. I am super excited because God's Word encouraged me and took me all the way.

Thank you, Pastor Kech, Pastor Sola, and all the assistant pastors of the Carpenter's Church for teaching us God's Word with confidence and simplicity. Thank you, my husband, for believing in me and pushing me towards achieving better things. Indeed, during this school years, God blessed me with a husband, three amazing children, a B.Sc. certificate, our own house, and much more. I love TCC.!
