### Long Life

I declare that long life is mine as a child of God. I have made the right choices. I choose life and length of days. Each day, I remember that I have made an appointment with life more abundantly.

I choose wisdom, and I possess the length of days she holds in her hands. I choose the fear of the Lord and my days are prolonged; my years shall not be shortened. I serve the Lord my God, and He blesses my food and water. He keeps me healthy, and He is committed to giving me a long, full life.

I dwell in the secret place of the Most High. I abide under the shadow of the Almighty. I say of You Lord, You are my refuge and my fortress; You are my God in whom I trust. With long life, You satisfy me, and You show me Your salvation.

I keep the Word of God which He has given me, and it goes well with me. My days are prolonged on the earth which the Lord has given me. I hear and receive God's words, and the years of my life are many as I walk in the paths of wisdom in which I have been taught, and the right paths He leads me in. I am righteous, so I flourish like a palm tree; I grow like a cedar in Lebanon.

I am planted in the house of the Lord and I flourish in the courts of my God. Even in my old age, I will continue to bear fruit, I will be fresh and will flourish. My youth is renewed like the eagle. Even to my old age, He is the One who will carry me. He will bear me and deliver me. Like a sheaf gathered up in its season, I will come to the grave in a ripe old age. The grave will not come to me.

My confidence is in God who raises the dead, who delivered me from so great a death, and does deliver me; in whom I trust that He will still deliver me. Hallelujah!!

I am kept by the Holy Ghost and I bask in my Covenant of long life.

**Q TESTIMONY Q**

**I** am here to testify about God's favour in my life. I am highly favoured by God in that my desire and love for education was made possible despite my background and family's financial status. God gave me enough when I made my case known to Him. I was without food, clothes, and money to get textbooks and other things as an undergraduate, God came through for me by sending His angels who appeared in human form.

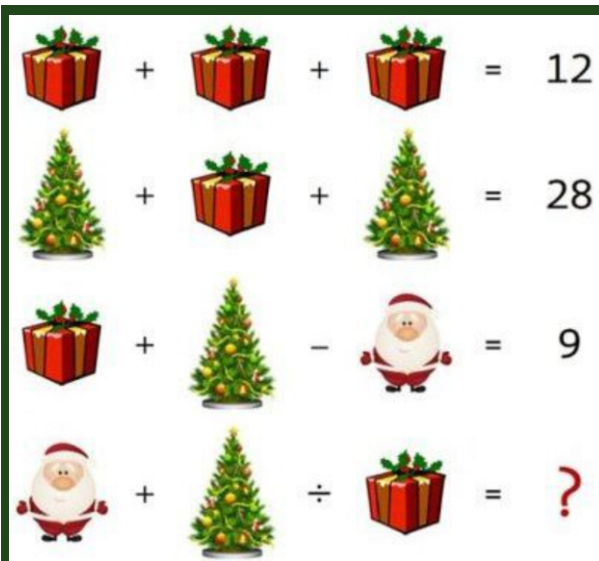

One day, the TCC evangelism team was on their assignment at Uniport, Abuja Campus, I was just in my 200 Level then, I was walking down from a computer business centre around the bus park area when I heard someone calling me. I turned to her and she asked me about myself and why I was moving slowly, I told her that I was sick of ulcer and I barely ate in school because of my family's background. She took me to a restaurant on the campus bought food for me and also gave me water while I was eating, she then began to preach to me and also told me about The Carpenter's Church. She invited me to join the service the following Sunday and I promised her that I will and that was how I became a member of TCC and had enough to stay with throughout my university. The woman who preached to me became my church mum and introduced me to several colleagues who helped me with food, clothes, and money in that I was comfortable and focused. I took my studies seriously and was always grateful to God for His provision.

In 2023, I graduated from the University of Port Harcourt not just as a graduate but as the best-graduating student in my department. It didn't end there. My clearance

became a burden to me, but God still sent His angels to help me. A man from my community offered to pay all the money and also sponsor my master's degree while another lady who lives in Missouri, U.S.A., transferred N50,000 to my account. Other people also gave me their support and I did my clearance and even had balance left. God actually stepped into my case and provided me with everything that I needed to succeed including academic excellence (overall best graduating student in the department) and a scholarship that is awaiting me. I also got a contract at Indorama Petrochemical

God used TCC and the Word preached by our presiding pastor and other pastors to bless and shape my life for the best. Thank you, Pastor Kech, thank you Pastor Sola, thank you my beloved generation shift pastors; your impact on my life is a reality. Glory to God.
