Auditorium

We speak to our 6,000-seater auditorium and we call it "finished in glory and splendour" in the Name of Jesus.

It is not by might, nor by power but by the Spirit of the Lord and the Spoken Word. Every phase left of this building that looks like a mountain has become a plain and we bring it to completion with shouts of grace, grace to it!

We have the wisdom of God and we know what to do. Our hands, strengthened by the Lord's hands, have laid the foundation and our hands, strengthened by His hands, will finish it! Hallelujah!

The race is not to the swift, nor the battle to the strong, nor bread to the wise, nor riches to men of understanding, nor favour to men of skill; but time and chance happen to them all.

This is the set time for supernatural favour for this auditorium project. For the heart of every decision-maker is in the hand of the Lord. Like the rivers of water, He turns it wherever He wishes – just to favour us. We receive waves upon waves of unusual favour right now in Jesus' Name.

We will have what we say!

This is the set time for an unprecedented flow of wealth and riches for this auditorium project. I release my precious sacrifices for this auditorium project and as I give, it is given unto me, good measure, pressed down, shaken together and running over – and I yet give again, Hallelujah!

Water flows from rocks; wealth flows from nations; the heavens are open wide and by the knowledge of God, the depths are broken up and the clouds drop down the dew. The silver and gold belong to our Father and are our inheritance. We receive abundant resources right now in Jesus' Name.

We will have what we say!

This is the set time for acceleration. We declare speed to the auditorium project, speed that is faster than the speed of light, faster than the swift chariots of the king, faster than the legs of Ahimaaz, You give us speed – supernatural and unusual speed; power generated from deep within; fire that cannot be quenched; rivers that will never run dry; faith that moves hills and fills valleys. You give us speed and we move with it in Jesus' Name.

We will have what we say!

We call our 6,000-seater auditorium finished and we see ourselves inside it worshipping and praising the Lord God Almighty to His glory and for our benefit.

God is big in me; God is big in you and God is big in us in TCCI! Hallelujah!!

Q TESTIMONY Q

Iwant to testify today of God's grace and provision throughout my schooling at the University of Port Harcourt. I started with nothing as I and my husband had nothing physically to sponsor my education but God's Word came through for us by causing us to be favoured by everyone who came into contact with us.

During a particular semester, I had just given birth and was asked to sort by the lecturer of a particular course, but after speaking with my FOG leader who advised me to sow a seed instead, and joined faith with me and prayed, I was given a good grade in that particular course without paying a dime to the said lecturer.

I was in labour during my teaching practice and found favor in the sight of my external supervisors. After I finished my four-year course, the NYSC list was unapproved for no reason; it took almost two years. Regardless, I declared that my service would be exciting, and at the right time and I would be posted to a favourable organisation. On the 27th of August, after the Generation Shift Bible Study meeting which was a movie session, I received a call from my Head of Department (HOD) that all my results had been approved and that I was to serve in November of the same year. I am super excited because God's Word encouraged me and took me all the way.

Thank you, Pastor Kech, Pastor Sola, and all the assistant pastors of the Carpenter's Church for teaching us God's Word with confidence and simplicity. Thank you, my husband, for believing in me and pushing me towards achieving better things. Indeed, during this school years, God blessed me with a husband, three amazing children, a B.Sc. certificate, our own house, and much more. I love TCC.
