Exceedingly Much More

I declare that this is my year of exceedingly much more.

God, my Father is the Almighty God. He is El Shaddai, the Pantokrator, the One with complete power. He is omnipotent, very great, and enormous. He is BIG. El Shaddai, my God and Father is more than enough and always does more. He is the Breasted One, the One whose supply never runs dry.

He defies barrenness and brings exceeding great multiplication out of it.

He is able to and will multiply me and whatever I place into His hands, even where there has been barrenness and unfruitfulness.

He is able to and will restore exceedingly much more than I may have lost.

He is able to do and will do exceedingly much more than I have ever experienced in Him before now. This season, what lies ahead of me is exceedingly greater, bigger, and better than what is behind me.

El Shaddai is my much more heavenly Father, who lavishes on me more than the best earthly father could. He always gives me exceedingly much more than I expect.

He is able to do and will do exceedingly abundantly above all that I ask or think, according to the power that works in me.

Even now, He is multiplying me exceedingly.

So this season, I make room for El-Shaddai. I draw from His unending supply. Not with a spoon, not with a cup, not with a basket, not even with a bucket but with at least a drum!

I am ready, more than ready for the next wave of exceedingly much more!
Hallelujah!!

Q TESTIMONY Q

I keep wondering: who am I that God cares so much about me? On the 27th of September 2022, while on my way to work, along the east-west road just after the Emuoha Local Government Area secretariat, we suddenly saw a red Toyota Camry, which was about a mile away from us engage reverse and we kept hearing gunshots. The car however succeeded to turn and behold, there were armed men. Our vehicle was directly in front of the armed men and I was sitting in front while they were shooting directly at us.

This God is too much and a protocol breaker! Our driver started driving in the reverse with speed as he couldn't turn because of the close range, and these men continued shooting directly at us. One of them was shooting and walking towards us while we were driving backwards. Our vehicle made a sudden U-turn while on a high speed and faced the opposite direction. It was so fast that we feared the vehicle was going to somersault.

After the sudden U-turn, the one shooting and walking towards us noticed he couldn't catch up with us. So, he ran to their vehicle, got in and started driving towards us. All the other vehicles behind us were trying to turn while at top speed, hence, the road was tight and some vehicles lost control.

They obviously had a better car and so, they caught up with us. On seeing them, fear really and truly came. I started praying in the spirit but I knew "because I have set my love upon Him, He will deliver me. He will set me on high in safety because I have known His name" as we always declare during our Psalm 91 faith confession. On getting to where we were alongside other vehicles, they just looked at us through the windows with their guns pointing out of the window and drove off.

The driver said he didn't know how and what turned the vehicle in the opposite direction because he didn't. Indeed, He gives His angels charge over us. I can't just help but wonder how come they were shooting directly at us at a close range and the bullets kept flying above us or to where ever. How come they got to us and just looked at us and drove off?

Indeed, God's love towards me is a commitment. This dust You put together has come to say thank You.

Thank you, Pastor Kech for building us with the Word.
 Thank you, pastors, for the undiluted Word you teach us.
