Season of Flourishing

I declare that I have stepped into a season of flourishing. In this season, boundaries are being broken. I have stepped into a season where I am developing wings and I am flying. I have stepped into a season where I am breaking forth on every side.

I have stepped into my season of flourishing. It is a kind of flourishing that makes no sense to the natural mind. The guarantee of my flourishing is because I am planted. Because I am planted, I am kept in a place. Because I am planted, I am not moved by every single thing that comes my way.

All over this place, and all around me, green plants are coming up. Multiplied leaves of different species are coming up even where there was dead ground. Species that have not been discovered before are coming up in this place. They are not just coming up naturally, they are coming up supernaturally. This flourishing is not of man, this flourishing is not of the economy. This flourishing is not even of my finances. This flourishing is of the word of the living God.

I am ready for supernatural flourishing. This is the kind of flourishing will defy every single logic, it will defy every single statistic, it will even defy human expectations. Being planted in His soil and His waters have guaranteed my flourishing. I am ready! Lord, I am ready!

I am planted by the Lord. I am planted personally by the hand of the Lord. Those whom the Lord has planted no one can uproot. No storm can uproot, no situation can uproot, no temptation can uproot me. The Holy Spirit Himself will noise my flourishing abroad by Himself.

The time to come up is now and I AM coming up by the hand of the Lord. I am coming up by the Word of the Lord that has come to me that I have stepped into a season of flourishing.

I am righteous and so I flourish like a palm tree. I grow like a cedar in Lebanon. I am planted in the house of the LORD and so I flourish in the courts of my God. I retain fruit bearing ability even in old age. I remain fresh and flourishing.

Turn to your neighbour and prophesy to them. Say to them: "Your season of flourishing is here. See! I can see wings on your back, you are ready to fly! I can see your wings; you are ready to fly!"

Hallelujah!

Q TESTIMONY Q

I want to share a testimony of how God delivered me at my place of work on the 1st of February, 2022.

Before leaving for work that day, we had taken our daily confession: Psalm 91 as a family. I got to the office feeling weak that morning. I took permission from my direct supervisor to take a thirty-minute nap at the office upstairs. This was something I have never done before because I had the option of going home, but I felt the nap will help me feel better.

When I got to the office upstairs, I opened the door, turned on the fan, positioned the seat, and dropped my phone. Then I had the urge to sit down for a while after climbing the staircase, however, I heard in my spirit, "Go and ease yourself first". Barely thirty seconds after using the convenience, I heard a loud noise like a gunshot. I waited a little while, then came out only to find out that the secondary school students who were playing football outside had hit the

ball directly on the louvre which was exactly at the point I had positioned my seat to take a nap. Two louvers crashed on the table I was to lay my head. My supervisor later said that when they heard the loud noise, they started praying for me. I went down to tell them that I wasn't affected.

God is indeed faithful. How precious is His Amazing love, abounding, rich in goodness for all. Relentless, His grace and mercy are new every day. That was the song that kept resonating within me that period as we prepared for Discovering Treasures. I thank God for this great deliverance.
