**LONG LIFE CONFESSION**

I declare that long life is mine as a child of God. I have made the right choices. I choose life and length of days. Each day, I remember that I have made an appointment with life more abundantly.

I choose wisdom, and I possess the length of days she holds in her hands.

I choose the fear of the Lord and my days are prolonged; my years shall not be shortened.

I serve the Lord my God, and He blesses my food and water.

He keeps me healthy, and He is committed to giving me a long, full life.

I dwell in the secret place of the Most High. I abide under the shadow of the Almighty. I say of You Lord, You are my refuge and my fortress; You are my God in whom I trust. With long life, You satisfy me, and You show me Your salvation.

I keep the Word of God which He has given me, and it goes well with me. My days are prolonged on the earth which the Lord has given me. I hear and receive God's words, and the years of my life are many as I walk in the paths of wisdom in which I have been taught, and the right paths He leads me in.

I am righteous, so I flourish like a palm tree; I grow like a cedar in Lebanon. I am planted in the house of the Lord and I flourish in the courts of my God. Even in my old age, I will continue to bear fruit, I will be fresh and will flourish.

My youth is renewed like the eagle. Even to my old age, He is the One who will carry me. He will bear me and deliver me.

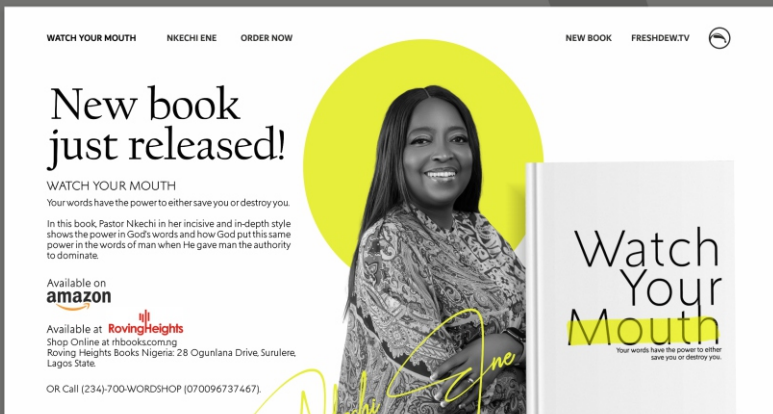

Like a sheaf gathered up in its season, I will come to the grave in a ripe old age. The grave will not come to me.

My confidence is in God who raises the dead, who delivered me from so great a death, and does deliver me;

in whom I trust that He will still deliver me.

Hallelujah!!

I am kept by the Holy Ghost and I bask in my Covenant of long life.

**TESTIMONY**

**S**ometime ago, I was driving to attend my brother's wedding and had to pick someone up on my way. At a point, the person started calling me on the phone which I ignored, but later decided to take because the road was totally free. Just as I picked up my phone to answer the call, all of a sudden, I saw myself like I was in a spinning wheel. Then it registered in my five senses that I was getting involved in an accident, so I called on Jesus twice and the car stopped.

I came out through the broken window and saw the car upside down. The spinning wheel I saw myself in was actually the car somersaulting. I saw God's protection around me. Despite not having my seat belt on, I did not sustain any injury, just a few cuts on my palm which I got while coming out through the broken window. Indeed, I was under the shadow of the Almighty. A good Samaritan took me to the hospital where I was examined and put on a drip. The doctor confirmed that I and my baby were okay. I am full of thanks to God, my *Alos Parakletos*, my Standby, my Keeper who is always with me. Thank You, Jesus, for saving my life and that of my baby. I will forever praise You, Lord.
