Auditorium

We speak to our 6,000-seater auditorium and we call it "finished in glory and splendour" in the Name of Jesus. It is not by might, nor by power but by the Spirit of the Lord and the Spoken Word. Every phase left of this building that looks like a mountain has become a plain and we bring it to completion with shouts of grace, grace to it!

We have the wisdom of God and we know what to do. Our hands, strengthened by the Lord's hands, have laid the foundation and our hands, strengthened by His hands, will finish it! Hallelujah!

The race is not to the swift, nor the battle to the strong, nor bread to the wise, nor riches to men of understanding, nor favour to men of skill; but time and chance happen to them all.

This is the set time for supernatural favour for this auditorium project. For the heart of every decision-maker is in the hand of the Lord. Like the rivers of water, He turns it wherever He wishes just to favour us. We receive waves upon waves of unusual favour right now in Jesus' Name. We will have what we say!

This is the set time for an unprecedented flow of wealth and riches for this auditorium project. I release my precious sacrifices for this auditorium project and as I give, it is given unto me, good measure, pressed down, shaken together and running over – and I yet give again, Hallelujah!

Water flows from rocks; wealth flows from nations; the heavens are open wide and by the knowledge of God, the depths are broken up and the clouds drop down the dew. The silver and gold belong to our Father and are our inheritance. We receive abundant resources right now in Jesus' Name. We will have what we say!

This is the set time for acceleration. We declare speed to the auditorium project, speed that is faster than the speed of light, faster than the swift chariots of the king, faster than the legs of Ahimaaz, You give us speed – supernatural and unusual speed; power generated from deep within; fire that cannot be quenched; rivers that will never run dry; faith that moves hills and fills valleys. You give us speed and we move with it in Jesus' Name. We will have what we say!

We call our 6,000-seater auditorium finished and we see ourselves inside it worshipping and praising the Lord God Almighty to His glory and for our benefit.

God is big in me; God is big in you and God is big in us in TCC! Hallelujah!!

TESTIMONY

I want to testify of God's protection. Psalm 91:5-6 says: "Thou shalt not be afraid for the terror by night; nor for the arrow that flieth by day; Nor for the pestilence that walketh in darkness; nor for the destruction that wasteth at noonday". I know this has always been my reality but it was so tangible and real to me on the 24th of November, 2023.

At exactly 01:44 p.m. that day, I had just crossed over to the other side of the road after buying a few things from the market to board a minibus back home. I was seated safely next to the driver, or so I thought. As soon as the bus was fully loaded with passengers, we took off. Barely five minutes into the journey, the bus had a brake malfunction (brake failure)! This happened when we were just less than 2 kilometers away from the flyover. I could literally see the driver struggling to maintain control of the bus amidst fear and confusion. The passengers were all screaming and shouting, "Jesus! Jesus!"

Oddly, I remained calm during all of this. This still beats me until now. I suppose it was because I knew Jesus was in my boat. The vehicle rammed into a Lexus SUV that was right in front of it, jolted, and came to a halt! Frightened and shaken, we all scampered out of the bus to safety.

For a couple of minutes, I stood by the roadside, wondering what had just happened, and how terrible things might have turned out if the LORD hadn't been on my side! I will always be grateful to the Lord for His mercy, protection, and love!
