HEALING

Jesus was wounded for my transgressions.

He was bruised for my iniquities.

The chastisement and the punishment of my peace were laid upon Him, and with His stripes, I am healed. I have peace; I have shalom, there is nothing missing and nothing broken in my body.

Jesus, Himself took my infirmities and bore my diseases. By His stripes, I was healed. If I was healed two thousand years ago, I am healed right here and now. My healing is a done deal.

Jesus is my healer. He is my doctor. He is my physician. He is the fixer, mender, and restorer of my body. I declare that everything that needs to be fixed, mended, and restored in my body has been done.

Himself bore my sins in His body on the cross so that, I, having died to sin might live unto righteousness, and by His stripes, I was healed. Therefore, I boldly declare that I am not the sick trying to be healed; I am the healed resisting the lying symptoms of sickness and disease. In Christ Jesus, I have received a clean bill of health, and on the basis of His finished work, I boldly declare that I am healed.

I declare that all lying symptoms have given way; they are removed from the root; they have disappeared, and dissipated. No matter how long they have been, they have faded away. No matter how stubborn they have proved to be, they are not stronger than the Word of God, and so they are dissolved. Every part of my body, every cell, every organ, every system is performing perfectly and optimally. God's Word is life to me; it is medicine to every part of my body, and producing healing and health.

I know what is happening in my body – The Spirit of Him who raised Jesus from the dead dwells in me and is alive in me. He who raised Christ from the dead is giving life – Zoe life, resurrection life to my mortal body through His Spirit Who dwells in me. The production of life is an ongoing, ever-present activity in my body.

As it was said concerning Israel of old that there was no one feeble among their tribes, so we declare that we are all healed in this great assembly, TCC. There is no sickness here, there is no disease here for we are the healed body of Christ.

There is certainly no barrenness here and babies are scattering in TCC!!!
Baby boys are here! Baby girls are here! Twins are here!
Even triplets are here!! Hallelujah!

We have what we say. We say we are healed.
We say we are fruitful.
We have healing, health, fruitfulness, and life!
Amen.

TESTIMONY

Sometime in January of this year my roommate complained to me that she had a swelling on her neck that was very painful. By Saturday that week talking, laughing and eating was very difficult and painful. The next day was not any better. That morning being Sunday, Pastor Charles asked those who had any condition to stand and place their hands on places of ailment. I stood up and placed my hand on my neck in faith and received healing on behalf of my friend (also drawing hope from the healing that I had received the previous Sunday of a choking cough and a very uncomfortable blocked nose that made breathing difficult)

That night the symptoms increased seriously and the pain from the neck spread to her ears and face. We were both in agreement that God had healed her. The day following, she saw a Doctor who said that she had thyroiditis. She however kept saying "my friend stood up for me on Sunday and I have received my healing." I encouraged her not to worry about the Doctor's report because I believed that God, who healed me, will do it for her also.

Miraculously, from the day the Doctor gave his diagnosis, the swelling reduced and the pain disappeared. Today she is okay and there is no pain whatsoever. Praise the Lord!
