**TESTIMONY**

**S**ometime in January of this year my roommate complained to me that she had a swelling on her neck that was very painful. By Saturday that week talking, laughing and eating was very difficult and painful. The next day was not any better. That morning being Sunday, Pastor Charles asked those who had any condition to stand and place their hands on places of ailment. I stood up and placed my hand on my neck in faith and received healing on behalf of my friend (also drawing hope from the healing that I had received the previous Sunday of a choking cough and a very uncomfortable blocked nose that made breathing difficult)

That night the symptoms increased seriously and the pain from the neck spread to her ears and face. We were both in agreement that God had healed her. The day following, she saw a Doctor who said that she had thyroiditis. She however kept saying "my friend stood up for me on Sunday and I have received my healing." I encouraged her not to worry about the Doctor's report because I believed that God, who healed me, will do it for her also.

Miraculously, from the day the Doctor gave his diagnosis, the swelling reduced and the pain disappeared. Today she is okay and there is no pain whatsoever. Praise the Lord!
