HOMOLOGEO

FAVOUR

I declare that my Father has accepted me in Christ Jesus, the Beloved. Because I am in Christ, I am highly favoured. Like Jesus, I am His beloved son, and He is well pleased with me. I have received the grace of God and so, I am favoured. In Christ, I am God's elect: His special favoured child. The Father loves me as much as He loves Christ Jesus, my big Brother.

The Father's favour constantly surrounds me as a shield from sunrise to sunset. The force of His favour attracts all that pertain to life and godliness to me. It repels whatever is not part of the blessing far away from me. His favour has separated me from the curse.

My favour with God translates into favour with men. I have favour with men that matter. The hearts of kings and men of influence whom God has ordained to play a part of my purpose are in His hands, and He turns their hearts just to favour me. God gives those with whom I have to deal, respect and attention for me. They are captivated by His Spirit and intoxicated by His instructions.

I am pleasing to God; my ways are pleasing to Him. Therefore, He makes even my enemies be at peace with me. There's no limit to whom my Father can use. So, even those who may not like me are used as instruments and channels of God's goodness in my life.

I am a son of God and I am led by the Spirit of God. My steps are ordered of the Lord and He takes delight in my ways. Therefore, I am always in the right place and at the right time. I am always where limitless possibilities take place, and I recognize them. I am always found where opportunity and preparation collide. Through the favour of God, doors open before me. His favour causes me to succeed where others have failed. God is unapologetically biased in my favour.

Therefore, I depend upon the grace and favour of God in all I do. I choose not to lean on my own understanding. I acknowledge that the race is not to the swift, nor the battle to the strong, nor bread to the wise, nor riches to men of understanding, nor favour to men of skill; but time and chance happen to them all. I am always where time and chance happen to me. I rest in His favour upon me.

I declare that I enjoy abundant, strategic favour with God and find good understanding in my dealings with men. With each passing day, I experience increasing measures of favour with God and with men.

Thank You Father for the waves of Your favour are crashing all over me and they are carrying me to Your destination for me.

Hallelujah!

TESTIMONY

Our first daughter miraculously got admission and a scholarship to a higher institution of learning. I call it miraculous because if we were to mind our means, then it was completely out of our reach. Though the scholarship was very substantial, the remaining portion was still a very big struggle for us. We, however, took God by His Word and plunged in.

God never failed us. He constantly came through for us, a lot of times through very unlikely means and vessels. More scholarships were added as she progressed, even the ones she didn't apply for. People went out of their way to bless us. Someone will just step up and cover more than half of the outstanding fees for a semester. Apart from that, God also gave our daughter a job in the school, and like the diligent girl that she is, she gave it all up to cover part of what we were to pay.

I want to thank God, especially for the grace upon our daughter to keep focus and finish her studies top of her class. She graduated with the highest 1st class (suma cum laude) and with a job waiting for her even before graduation, which she has since started. In this season where there

are job losses everywhere, God provided exceedingly, abundantly, above what we could ever ask, imagine or think, for His princess. We return all the praise, adoration, and honour to His name forever. There is absolutely nothing impossible with God. God takes delight in doing the "impossicant" (impossible + can't) according to our founding pastor, Pastor Charles Omofomah. We thank our man of God, Pastor Nkechi Ene for teaching us the undiluted Word. We appreciate Pastor Sola and all our assistant pastors for bringing to our understanding that the Word works and that we can trust and believe in it and it shall come to pass. Thank you so much.

Thank you, TC Cubs, and TC2. You are doing an awesome job. Your children are rising and calling you blessed. I know you understand the great impact you are making in the lives of our children. They are shining like the stars you are moulding them into. God bless you.

We also thank all our great friends and family in TCC who were there, cheering and supporting us to the finish line. What you make happen for others, God will surely, surely make happen for you, in Jesus' name, amen.
