LONG LIFE CONFESSION

I declare that long life is mine as a child of God. I have made the right choices. I choose life and length of days. Each day, I remember that I have made an appointment with life more abundantly.

I choose wisdom, and I possess the length of days she holds in her hands. I choose the fear of the Lord and my days are prolonged; my years shall not be shortened. I serve the Lord my God, and He blesses my food and water. He keeps me healthy, and He is committed to giving me a long, full life.

I dwell in the secret place of the Most High. I abide under the shadow of the Almighty. I say of You Lord, You are my refuge and my fortress; You are my God in whom I trust. With long life, You satisfy me, and You show me Your salvation.

I keep the Word of God which He has given me, and it goes well with me. My days are prolonged on the earth which the Lord has given me. I hear and receive God's words, and the years of my life are many as I walk in the paths of wisdom in which I have been taught, and the right paths He leads me in.

I am righteous, so I flourish like a palm tree; I grow like a cedar in Lebanon. I am planted in the house of the Lord and I flourish in the courts of my God. Even in my old age, I will continue to bear fruit, I will be fresh and will flourish. My youth is renewed like the eagle. Even to my old age, He is the One who will carry me. He will bear me and deliver me.

Like a sheaf gathered up in its season, I will come to the grave in a ripe old age. The grave will not come to me. My confidence is in God who raises the dead, who delivered me from so great a death, and does deliver me; in whom I trust that He will still deliver me.

Hallelujah!!
I am kept by the Holy Ghost and I bask in my Covenant of long life.

TESTIMONY

During the cash withdrawal crisis in the country, I went to a bank at Trans-Amadi with a colleague driver to withdraw some money meant for office use. When we got to the bank, we parked the car and proceeded to the bank entrance; however, on second thoughts, I asked him to reconfirm that the vehicle was properly locked, which he went back and confirmed.

With the assistance of the manager and the guards, we had easy access to the bank, and within thirty to forty minutes, we were done with our transaction, regardless of the crowd. When we got to where we had earlier parked our vehicle, we didn't see it there. It seemed like we were in a movie. We searched for the vehicle the way ants search for food. We inquired the guards, but they denied having any knowledge about the car. I became confused and shouted, "I am finished!" because what I feared the most had just happened to me. Quickly, I realized myself and started speaking in tongues, not out of fear, and God gave me direction on what steps to take.

I made reports to the necessary authorities. God guided my steps and made me find favour with all concerned. I texted Pastor Esther saying: "Good day Pastor. This Hilux vehicle, God will recover it for me. And I trust God for the safety of my Job in Jesus' name", of which she agreed with

me. I also contacted my elder brothers. I held my colleague's hands and told him to relax, that God is fixing everything, and that for this cause, he will see a reason to start believing God's Word. Within five hours, the vehicle was recovered in Bayelsa state. God granted everyone concerned wisdom, direction, and support.

After the vehicle was recovered, my company gave me an unset period to stay off work for investigation purposes. During the trial period, the devil projected so many things to me: mountains that looked impossible, fear of uncertainties, failed plans, etc. Thank God for my wonderful wife; she was never moved. Her confessions and support were a big boost to me. It is also wonderful to have siblings that share the same beliefs/words with you. I enjoyed their support and care. My brother, Ken, reminded me of my tried, tested, and confirmed methods with God. This was not going to be any different. Church, the Word works and it will keep on working.

God restored all things, and He is still doing good things to me and my family. What the enemy planned for evil, just like the mistake he made 2000 years ago by crucifying Jesus, God turned to good for me. It is getting better and it can only continue to get better in Jesus' name. Amen.
