

# HAPPY BIRTHDAY

## Pastor Sola Akinwale @50

Our Associate Pastor, Pastor Sola Akinwale, is FIFTY!! Today we thank the Father for May 2, 1975 when He gave us the gift of you. You are yet another live proof that the impartial God is seemingly partial towards TCC in planting you in this family.

Thank you for being a living example to us in your service to our Man of God, Pastor Kech. We love you Pastor Sola. Through the fires we will always stand by you. Through the storms, we will always stand by you. In your wealthy place, we are standing gidigba by your side.

This is to more years of grace, and glory revealing the Father's signature of Restoration in your life for all to see and for you to enjoy.

This multi generational family has enough of us shouting "WELCOME TO THE FIFTH FLOOR" with many more echoes of HAPPY FIFTIETH BIRTHDAY from the lower floors and a few from the higher floors too!

### Testimony

I want to testify of God's protection. Psalm 91:5-6 says: "Thou shalt not be afraid for the terror by night; nor for the arrow that flieth by day; Nor for the pestilence that walketh in darkness; nor for the destruction that wasteth at noonday". I know this has always been my reality but it was so tangible and real to me on the 24th of November, 2023.

At exactly 01:44 p.m. that day, I had just crossed over to the other side of the road after buying a few things from the market to board a minibus back home. I was seated safely next to the driver, or so I thought. As soon as the bus was fully loaded with passengers, we took off. Barely five minutes into the journey, the bus had a brake malfunction (brake failure)! This happened when we were just less than 2 kilometers away from the flyover. I could literally see the driver struggling to maintain control of the bus amidst fear and confusion. The passengers were all screaming and shouting, "Jesus! Jesus!"

Oddly, I remained calm during all of this. This still beats me until now. I suppose it was because I knew Jesus was in my boat. The vehicle rammed into a Lexus SUV that was right in front of it, jolted, and came to a halt! Frightened and shaken, we all scampered out of the bus to safety.

For a couple of minutes, I stood by the roadside, wondering what had just happened, and how terrible things might have turned out if the LORD hadn't been on my side! I will always be grateful to the Lord for His mercy, protection, and love!
