I want to testify of God's protection. Psalm 91:5-6 says: *"Thou shalt not be afraid for the terror by night; nor for the arrow that flieth by day; Nor for the pestilence that walketh in darkness; nor for the destruction that wasteth at noonday".* I know this has always been my reality but it was so tangible and real to me on the 24th of November, 2023.

At exactly 01:44 p.m. that day, I had just crossed over to the other side of the road after buying a few things from the market to board a minibus back home. I was seated safely next to the driver, or so I thought. As soon as the bus was fully loaded with passengers, we took off. Barely five minutes into the journey, the bus had a brake malfunction (brake failure)! This happened when we were just less than 2 kilometers away from the flyover. I could literally see the driver struggling to maintain control of the bus amidst fear and confusion. The passengers were all screaming and shouting, "Jesus! Jesus!"

Oddly, I remained calm during all of this. This still beats me until now. I suppose it was because I knew Jesus was in my boat. The vehicle rammmed into a Lexus SUV that was right in front of it, jolted, and came to a halt! Frightened and shaken, we all scampered out of the bus to safety.

For a couple of minutes, I stood by the roadside, wondering what had just happened, and how terrible things might have turned out if the LORD hadn't been on my side! I will always be grateful to the Lord for His mercy, protection, and love!
