*"You are perpetually living the life of God." ~Pastor Nkechi Ene (Mrs.)*

**Testimony**

Earlier this year, during the cash withdrawal crisis in the country, I went to a bank at Trans-Amadi with a colleague driver to withdraw some money meant for office use.

When we got to the bank, we parked the car and proceeded to the bank entrance, however on second thought, I asked him to reconfirm that the vehicle was properly locked which he went back and confirmed.

With the assistance of the manager and the guards, we had easy access to the bank, and within thirty to forty minutes, we were done with our transaction regardless of the crowd. When we got to where we had earlier parked our vehicle, we didn't see it there. It seemed like we were in a movie. We searched for the vehicle the way ants search for food. We inquired from the guards but they denied having any knowledge about the vehicle. I became totally confused and shouted, "I am finished!" because what I feared the most had just happened to me. Quickly, I realized myself and started speaking in tongues, not out of fear, and God gave me direction on what steps to take.

I made reports to the necessary authorities. God guided my steps and made me find favour with all concerned. I texted Pastor Esther saying: "Good day Pastor. This Hi-lux vehicle, God will recover it for me. And I trust God for the safety of my Job in Jesus' name", of which she agreed with me. I also contacted my elder brothers. I held my colleague's hands and told him to relax, that God is fixing everything, and that for this cause, he will see a reason to start believing God's Word. Within five hours, the vehicle was recovered in Bayelsa state. God granted everyone concerned wisdom, direction, and support.

After the vehicle was recovered, my company gave me an unset period to stay off work for investigation purposes. During the trial period, the devil projected so many things to me, mountains that looked impossible, fear of uncertainties, failed plans, etc. Thank God for my wonderful wife; she was never moved. Her confessions and support were a big boost to me. It is also wonderful to have siblings that share in same beliefs/words with you. I really enjoyed their support and care. My brother, Ken, reminded me of my tried, tested and confirmed methods with God. This was not going to be any different.

Church, the Word works and it will keep on working. God restored all things and He is still doing good things to me and my family. What the enemy planned for evil, just like the mistake he made 2000 years ago by crucifying Jesus, God turned to good for me. It is getting better and it can only continue to get better in Jesus' name. Amen.
