TESTIMONY

I want to testify today of God's grace and provision throughout my schooling at the University of Port Harcourt. I started with nothing as I and my husband had nothing physically to sponsor my education but God's Word came through for us by causing us to be favoured by everyone who came into contact with us.

During a particular semester, I had just given birth and was asked to sort by the lecturer of a particular course, but after speaking with my FOG leader who advised me to sow a seed instead, and joined faith with me and prayed, I was given a good grade in that particular course without paying a dime to the said lecturer.

I was in labour during my teaching practice and found favor in the sight of my external supervisors. After I finished my four-year course, the NYSC list was unapproved for no reason; it took almost two years. Regardless, I declared that my service would be exciting, and at the right time and I would be posted to a favourable organisation.

On the 27th of August, after the Generation Shift Bible Study meeting which was a movie session, I received a call from my Head of Department (HOD) that all my results had been approved and that I was to serve in November of the same year. I am super excited because God's Word encouraged me and took me all the way.

Thank you, Pastor Kech, Pastor Sola, and all the assistant pastors of The Carpenter's Church for teaching us God's Word with confidence and simplicity.

Thank you, my husband, for believing in me and pushing me towards achieving better things. Indeed, during this school years, God blessed me with a husband, three amazing children, a B.Sc. certificate, our own house, and much more.

I loveTCC.
