*Let the redeemed of the LORD tell their story— those He redeemed from the hand of the foe, those He gathered from the lands, from east and west, from north and south.*  
**Psalms 107:2-3**

In 2022, after my son graduated from the university, while he was serving his NYSC, he applied for scholarship to a particular school in UK he liked for his Master's degree. The University offers joint scholarship with the Commonwealth. Prior to this time, he has been searching for schools that offer a hundred percent scholarship. One day he called me and said ' Mummy, it is difficult to get a hundred percent scholarship'. I answered him and said, ' don't worry my son God will give you a hundred per cent scholarship'. That 2022 he didn't get the scholarship but we kept praying and believing God.

In 2023, he applied for the Commonwealth scholarship again to the same school. By March 2024, they called him to enquire what particular course he would prefer since he applied for two different courses on the two occasions he had applied and he replied them and told them the particular course he desired to study.

Before this, during the New Year's Eve service, God sent His word through Pastor. We were in that service when the word came and it was a timely word for us as a family and we were fully prepared to engage with it and run with it concerning what we are believing him for the scholarship.

As God would have it, Shalom came home for Christmas and was also in the 31st night service. After the service, he shared with me. He said, ' Mummy, the

part of the word that got to me was when Pastor mentioned righteous abundance'. I encouraged him and we continued in prayer, thanking God for His word that has come to us and always reminding ourselves when we met contrary situations that the word of God cannot return to him void. It must accomplish the purpose for which it was sent.

On the first Sunday in January, I wrote Shalom's hundred per cent scholarship as topping the list of my 3 prayer points for the year and Pastor prayed over it. In May 2024, Shalom got a mail from the school that he has been awarded a hundred per cent scholarship to study 'Renewable Energy and Engineering Management' and between May 2024 and September 2024, all the correspondences, award letters, documents, visas, flight tickets, accommodation and everything he needed was ready fully paid by the University and Commonwealth.

On one occasion, they called me from the school and by September ending Shalom left for the UK. Just by the word of God. We didn't spend a dime; except the food stuff I bought and the few pounds we gave as pocket money. A scholarship worth over thousands of pounds God gave us for free. That can only be the God of the wealth flow His word cannot return to Him without accomplishing the purpose for which it was sent. I give all the glory to God alone.

I want to thank Pastor Nkechi for the courage and grace to give the word just as it came against all odds because God's word prevails.

Thank you everyone. Keep believing and acting on God's word. It works.
