Let the redeemed of the LORD tell their story— those He redeemed from the hand of the foe, those He gathered from the lands, from east and west, from north and south. Psalms 107:2-3

The word of the Lord came to me sometime in 2023, that it was time to move from where I was and to further my career, and to do that I had to undergo a one-year internship program. I started applying to various hospitals that same year, hoping to get a positive response immediately (since I was told it doesn't take time) but two months after applying, there were no callbacks or reach-outs. By the fourth month, I got really worried and sent in some more applications, sitting for even more exams.

Finally, some hospitals reached out but were demanding a ridiculous amount before I could even get in. Some of my colleagues who had no problem paying this went on and "secured their spot." Some even said that no matter how good you were in the exams and interviews, you still had to grease their palms to get a place. I knew I wasn't going to do that. So, I quit my job at the time, on the 28th of December 2023—with no internship in sight, no side job or source of income, just the little I had saved up and the Word the Lord had spoken to me!

Fast forward to the new year: the Lord, through our Man of God, Pastor Kech, had decreed 2024 as "Our Year of the Wealth Flow." I knew that was my word, so I keyed into the wealth flow in all that concerned me, including this internship. Towards the middle of 2024, after I had done all I could and still had no internship in sight, the pressure became unbearable. I started to doubt the Word I had received but God, being ever merciful and intentional towards me, sent His Word again in Numbers 11:23: "Is the LORD's hand waxed short? Thou shalt see now whether My word shall come to pass unto thee or not."

That was when I had my breakthrough! My faith was restored. I started praising instead of throwing a pity party and by June 2024, it happened! I got not one, not two, not three, but four paid internship offers in different hospitals—with pay twice what I was earning at my last job! God gave me all this without having to pay a nickel, without greasing any palm. Truly, God's Word can be trusted!

Now, this is the final month of my one-year internship, and it has been a smooth ride. I have come to return all the glory to God.
