**Open
Agape
Day**

30TH AUGUST 2026

Open Agape Day is where church folks who are in need of clothes, shoes and household items can come and pick for themselves freely. Members who have items such as clothes, shoes, etc. for children both male and female, as well as for adults should please endeavour to support those who do not have by bringing in these items to the Welfare Department in the Church Office. Please, these items should be good and presentable.

Family Connect Group (FCG) heads are hereby informed to be present to identify their members because those who are committed in FCGs would be given preference during the distribution.

Testimony [

I lost my mum and dad on the 11th of August 1999. After this happened, I felt all alone. It appeared that nobody loved my younger siblings and me, so I decided to join a group of local cultists because I was searching for protection for my life. We were nine in number that got initiated on a particular day, but two of us lost their lives and seven of us survived. The initiation process involved being tied up and blindfolded and beaten to a pulp by other cult members.

During the process, I was beaten mercilessly and some of the things that were done to me during the initiation affected me. I started having severe abdominal pains. Part of the initiation rites was to stay indoors for three weeks and treat your wounds and say nothing to anybody. However, I started suffering from some unknown internal issues which resulted to pile, which has been a very heavy burden on me.

I located The Carpenter's Church through my cousin, who is a member. My cousin preached to me and made me understand that there is no love and protection in the world. He led me to Christ and also, stood by me: praying and encouraging me with the Word of God. After I gave my life to Christ, the group members came after my life. They wanted to burn down my house at some point and I had to go back to the cult. My cousin refused to give up on me. He kept encouraging me and I finally left and even when they made attempts, God in His infinite mercy saved me, but I still suffered from pile. When I used the toilet the experience was not good at all.

On the 24th of November 2019, during the service, I received my healing from pile during the first service. I have been made completely whole by my merciful Father. I thank God for the salvation of my soul and His healing upon my life. I may have lost my earthly parents but I am not alone. I have a Father.
